JULY/AUGUST MISSION OF THE MONTH – Lutheran Deaf Mission Society (LDMS)

LDMS strives to equip Lutheran congregations, pastors, missionaries, seminarians, and laity to help Deaf people and their families see Jesus Christ as their Lord and Savior through personal evangelism and Christian education, and to help Deaf Christians serve Jesus Christ as His redeemed people through stewardship and leadership training. Visit www.deafjesus.org to learn more. **Please use your Designated Offerings envelopes during the months of July and August to support this mission.**

LWML MITES - LUTHERAN WOMEN IN MISSION

Don't forget to keep filling those Mite Boxes and bring them back to church on the 1st Sunday of every month when the large Mite Box will be out to collect your donations. These Mites will be sent to LWML to support mission grants like the Orphan Grain Train Servant Center, the Disaster Response Team in Tyler, TX, and the Mobile Kitchen forged by Fire Services in the Gulf Coast Region of the US.

Thank you for your support of the LWML Mite Box program!

NOTES FROM THE PRESIDENT

I hope everyone is enjoying the summer so far. It's that time of year where we need to start keeping up our yards. Speaking of which, a great group of volunteers recently helped "spruce up" the yard around church since the last newsletter. First, we had a great group of volunteers (pictured below) spend their Saturday morning spreading 12 yards of mulch, trimming bushes, and pulling weeds.

Second, the large bushes in front of the cross to the right of the Church Street entrance were removed, the cross was repainted, and a new stone bench and some small shrubs were placed to help fill in a little of the empty space and to make the cross more visible....Dan Fibiger, Gina Fibiger, Lynn Luebke, and Sue Prange helped with that project.

It all looks wonderful! I'd like to thank all the volunteers for dedicating their time to making our church look so beautiful outside! It is noticed and appreciated!

Just a quick update on our latest call...as I announced in church the other week, Pastor Smith had declined our call, but we were going to try to renegotiate the call document with him. Unfortunately, he has since declined the updated call document. The next step is to review the two call lists we have and call all the pastors on them to ensure they are open to a call. Once we have that narrowed down, we will re-evaluate the available pastors and choose another one to call. Please don't let this news discourage you. Many churches in the area took up to two to three years to find their next pastor. I just ask for your prayers and patience as we continue to try to find who the Lord has chosen for us.

Yours in Christ,
Andy Fibiger
